ONE WOMAN OUT OF FIVE IN AUSTRIA HAS BEEN A VICTIM OF VIOLENCE
WOMEN'S HELPLINE AGAINST VIOLENCE 0800 222 555
OFFERS HELP!

24/7, FREE OF CHARGE, ANONYMOUS AND CONFIDENTIAL

Women's Helpline against Violence is the primary place to go for all questions relating to violence against women in Austria. The helpline is managed by professionals providing callers anonymous and unbureaucratic help and support.

Calling Women's Helpline against Violence can be the **first step** to escape a relationship of violence!

A call on **0800 222 555** can save lives!

WOMEN'S HELPLINE OFFERS HELP FOR

- ▶ women and girls who are experiencing or are being threatened by violence (physical, psychological, sexual, structural and / or economic violence), as well as their children
- ▶ women and girls affected by stalking or forced marriage
- ▶ women and girls experiencing relationship or life crises
- ▶ children and juveniles seeking advice on violence or wanting to talk about experiences of violence
- ▶ people belonging to the affected person's immediate social environment
- ▶ staff of social organisations and institutions

WOMEN'S HELPLINE OFFERS

- ▶ free initial and crisis-related counselling by phone
- ▶ immediate help in particularly dangerous situations
- ▶ anonymous and confidential counselling
- ▶ clarification of the current situation, relief and help to find orientation
- ▶ legal and social information in connection with violence against women and children
- ▶ information on Legal Court accompaniment in Austria
- ▶ Police interventions, interventions by the Child Welfare Office and other relevant services if requested
- ▶ Aimed referral to women's shelters, regional emergency-lines, counselling centres and intervention centres
- ▶ Information about continuative counselling and support all over Austria.
